X7 Quattro

There's no hiding from it!

The X7 Quattro uses revolutionary technology, Quattro Traction Control which gives it the unique ability to get in and out of tight corners, climb walls and give your pool an extreme clean. Its sleek design yet simple operation will ensure pool maintenance is kept to a minimum. The result is a simply sparkling pool.

Simply Sparkling Pools

Quattro Traction Control

There are 4 elements that combine to make the QTC System:

1 Quattro Disc

The new 4 disc design

These ultra flexible discs give the X7 Quattro the ability to get in and out of tight corners without getting stuck. There are rigid fins on the front disc that enable it to climb over and around obstacles like light fittings, steps and benches and it climbs vertical walls with ease.

2 Pulse

The new patented diaphragm

'Pulse' is the new patented diaphragm at the heart of the X7 Quattro. Its super strong yet highly flexible and robust outer ribbing creates a 'snap action pulse' that delivers more efficient suction than ever before, as well as making the X7 Quattro the quietest cleaner on the market.

3 Tilt Action Rudder (TAR)

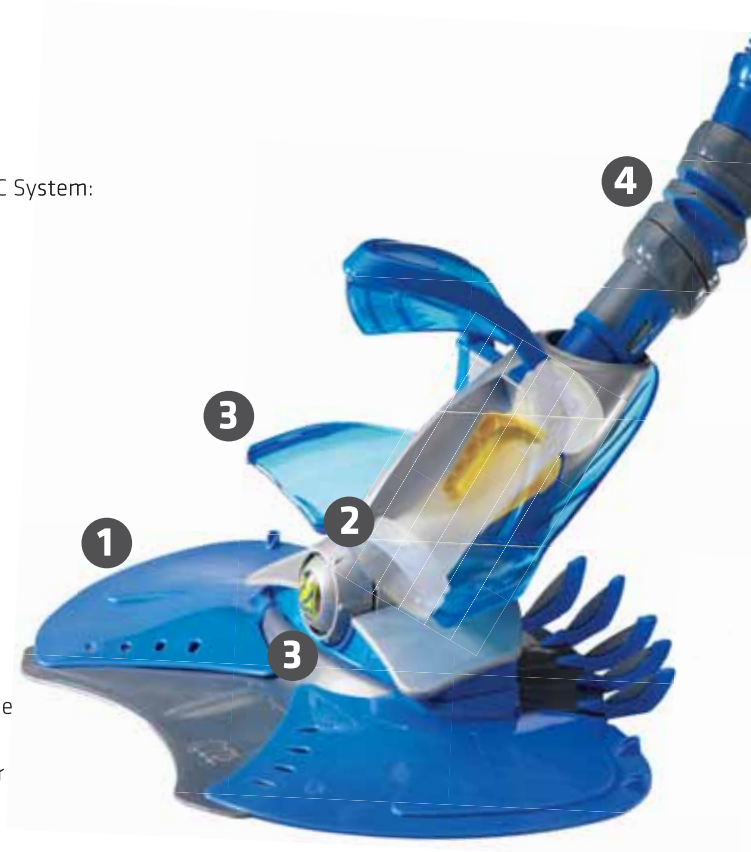

For advanced auto steering

The patented 'Tilt Action Rudder' provides directional steering to the X7 Quattro. When water flows over the rudder beneath the rear disc it moves the X7 Quattro in the opposite direction to the pool hose, getting in and out of tight corners that would normally stall other cleaners.

4 Flexi-Hose Joint

Clever in every way

When you see our patented Flexi-Hose Joint in action you will wonder why all pool cleaners don't have one. It bends in every direction helping the X7 Quattro go where other cleaners have problems, ensuring a random cleaning action every time.

What you get

- X7 Quattro machine head
- 13 x 1 metre lengths of Zodiac genuine hose
- 1 x 1 metre length of Zodiac genuine leader hose
- 1 x X7 Quattro disc set
- 1 x Hose weight
- 1 x Hose protector mesh
- 1 x AD flow valve
- 1 x Pool pulse
- 1 x Flexi-Hose joint
- Vacuum plate adaptor
- Owners manual and warranty card
